PPPA 6085: Afternoon Section Assignments

If you are the article finder assigned to Lecture 2, send an article that is relevant to Lecture 1 to Leah Brooks by noon on the Thursday following Lecture 1. Leah will approve the article and post it to the course webpage.

If you are the presenter for Lecture 2, you should see the article posted on the course webpage by the Friday following Lecture 1, and you should prepare a 3 minute presentation discussing how the facts in the article either confirm or contradict some of what we learned in the previous class.
